- E) None of the above

Answer: <https://biology-forums.com/index.php?topic=759732>

### Question 9

Teaching mothers how to dress, feed, and bathe their babies is an early example of a \_\_\_\_\_.

- A) Treatment modality
- B) Clinical initiative
- C) Public health program
- D) Drug prevention course
- E) Both A and B

Answer: <https://biology-forums.com/index.php?topic=759618>

### Question 10

Which body of law is the result of the legislative branch's voluntarily delegating some of its lawmaking authority to the executive branch?

- A) Executive
- B) Constitutional
- C) Common
- D) Administrative
- E) None of the above

Answer: <https://biology-forums.com/index.php?topic=759727>

### Question 11

In the first dental hygiene health model, the Fones program planning model emphasized \_\_\_\_\_.

- A) Prevention of illness
- B) Culture
- C) Assessment
- D) Both A and B
- E) None of the above

Answer: <https://biology-forums.com/index.php?topic=759845>

### Question 12

Even in industrialized countries, where the prevalence of caries is low, what disease is prevalent in inner cities and among ethnic minorities?

- A) Oral anomalies
- B) Bruxism
- C) Dental caries
- D) Oral cancer
- E) None of the above

Answer: <https://biology-forums.com/index.php?topic=759681>

### Question 13

Successful communication with other cultures takes \_\_\_\_\_.

- A) Time
- B) Patience
- C) Caring
- D) Both B and C
- E) None of the above

Answer: <https://biology-forums.com/index.php?topic=759835>

### Question 14

During which stage are possible constraints and alternatives addressed?

- A) Assessment
- B) Dental hygiene diagnosis
- C) Evaluation
- D) Implementation
- E) Planning

Answer: <https://biology-forums.com/index.php?topic=759854>

### Question 15

A facilitator who brings together individuals who share the same interests, abilities, monetary support, and common goals is referred to as a \_\_\_\_\_

- A) Catalyst
- B) Solution-giver
- C) Resource linker
